

Thank you for your continued support in providing education for Ugandan orphans.

Ugandan school opening delayed to allow for elections

We appreciate your continuing support for the orphans in the FACE program. A special thank you to those of you who are sending annual payments for 2021.

Schools were scheduled to start today, Monday, January 11, 2021, but this has been delayed to allow for the general elections in Uganda on January 14, 2021, according to the Independent. The school opening has been pushed to next Monday, January 18. Our communications assistant in Uganda, Robert Bawube, has asked for your prayers for peaceful elections.

Please also pray for the children as they resume classes, particularly those who are preparing for their final primary leaving exams, a standardized government exam, enabling them to transition to senior (high) school.

It appears that all classes across Uganda are scheduled to start and will be following COVID-19 protocols as established by the Ministry of Education.
