# **F.A.C.E.**

## Free African Children thru Education

Thank you for your continued support in providing education for orphaned children in Uganda, who are living with a relative. Only \$10.00 per month sponsors a primary school child, and \$29.00 per month a secondary school child. There is a great need for further sponsorship for secondary school children who have graduated out of our program in primary school. Many of these children drop out of school after primary school because they lack the funds.

## Ugandan Children Back in School After Long Closure

Ugandan children returned to school this year. Please see [video](#) by Global News regarding this and the unique challenges faced by children there.
