**GI**  **ING TUESDAY**

# SAVE THE DATE: Be a part of GivingTuesday on November 30th, 2021

Following Black Friday and Cyber Monday – Giving Tuesday was created in 2012 as a simple idea: a day that encourages people to give back in whatever ways they can. It has now grown into a global movement that inspires hundreds of millions of people to give and celebrate generosity.

These past 22 months have shown us that a lack of access to classrooms and a proper school setting can seriously impact a child's learning abilities. At F.A.C.E., we've set a goal of raising \$30,000 to provide two urgently needed classrooms for our newly sponsored school in Eswatini.

Please join the GivingTuesday movement by visiting our website at [www.facecharity.net](http://www.facecharity.net), or call us at 1-844-277-6485 to make a donation.

## Sad News from Uganda

On July 27 we received the sad news that Isebojo Enock (above) had succumbed to COVID-19. Who was Isebojo Enock and why are we telling you about him?

Many years ago the founder of FACE, Marta Roffey, helped Isebojo financially to complete his degree in education. He gave back by serving his church as a teacher and a headmaster, and was instrumental in founding ten new schools in the district of Bundibugyo, a part of Uganda right next to the border with the Democratic Republic of Congo. He served as FACE's agent, receiving and distributing funds for the orphaned children being

sponsored in those schools, and ensuring that their reports were properly completed and returned to FACE. His life as headmaster of a school of about 600 students was very busy, yet he volunteered his time to FACE for at least 6 years. He left big shoes for his successor to fill.

Isebojo had eight children, five of whom are still at home as dependents. His widow has little education and cannot earn enough to enable their children to complete their education. The four youngest children are in secondary school and can be sponsored through FACE. (Note that in Uganda a child who has lost one parent, especially if the remaining parent is poor, is considered an orphan.)

In recognition of Isebojo's contribution to the FACE program in Uganda, the board members and volunteers at FACE would like to sponsor his daughter, Kabugho Fortunate, to obtain a secretarial diploma at the Royal Institute of Business in Kampala, Uganda. She has completed a secretarial certificate, but needs to study for two more years for a diploma. We invite you to contribute towards her education, which cannot be sponsored through FACE.

Contributions will not be eligible for a tax-deductible receipt; they will be a gift of love. Fortunate's expenses are as follows (approximate amounts shown in Canadian dollars):

Tuition and boarding per year - \$1400 x 2 years = \$2800

Laptop computer – \$480

If you are able to help Fortunate to achieve her educational dreams, please contribute on her [GoFundMe page](https://www.gofundme.com/f/send-kabugho-fortunate-to-school-in-kampala). <https://www.gofundme.com/f/send-kabugho-fortunate-to-school-in-kampala>

**Please do not send donations for Fortunate to FACE**, as Canada Revenue Agency does not allow us to channel funds through the charity to projects not within the charity's programs.

*Please note that when you follow the link to donate it states, "Your donation will*

*benefit John Kartik" - this is because John Kartik has set up the fundraiser. The donations will go to Fortunate's education.*
